

Crop Management Field School

June 27, 2025

**NDSU Carrington REC
663 Highway 281 NE
Carrington, ND**

Sponsored by

Audience

This field school is for agricultural professionals, including crop consultants, agronomists, agribusiness representatives, and Extension agents, who advise farmers with recommendations on crop production. Farmers are welcome to attend.

The school's objective is to provide updates, using field demonstrations and research trials, on crop pest and soil management recommendations.

Preregistration

Preregistration (including fee payment) is required by June 23. The workshop fee is \$100 per person. The workshop is limited to 50 people. Registrations will be accepted on a first-come, first-served basis. Participants will receive reference materials, one meal, and refreshments.

CEUs

Certified crop advisers will have the opportunity to receive 4.0 continuing education units (CEUs). CCA CEUs are available in the these categories:

3.5 PM = Pest Management

0.5 SW = Soil and Water Management
