**SPREADING  
THE WORD**

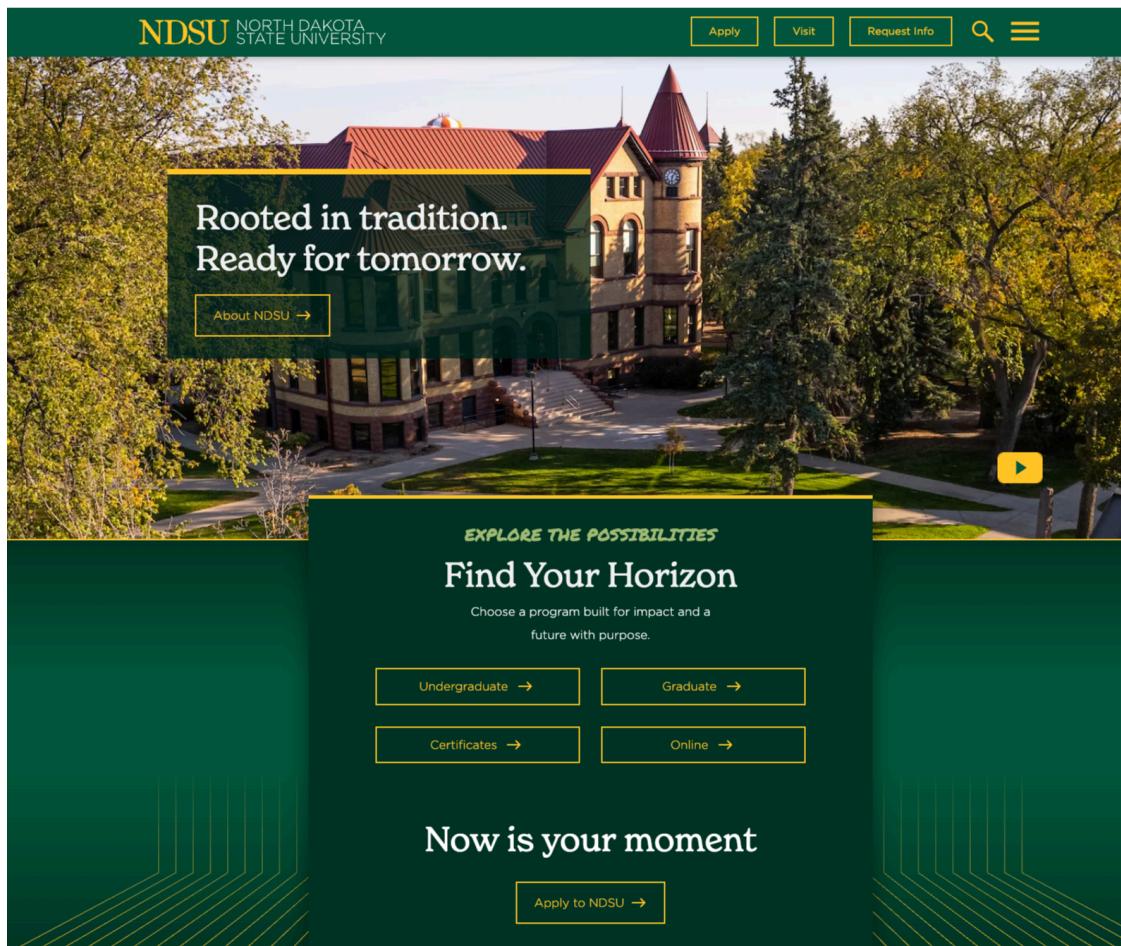

The University Relations team is excited to announce a redesigned [www.ndsu.edu](http://www.ndsu.edu) — a more accessible, intuitive and user-focused website that reflects the spirit and strengths of NDSU. This new platform is built to attract and serve prospective students and external audiences while continuing to support current students, faculty and staff.

With a refreshed visual identity, clearer tone and improved navigation, the site showcases the unique experiences and opportunities NDSU offers.

Our work doesn't stop here. In collaboration with IT and the cross-functional Web Team, we'll continue refining the site in partnership with units and departments across campus.

Have questions? Visit [ndsu.edu/web](http://ndsu.edu/web) to connect with the Web Team. For unit-specific inquiries, please reach out to your [Web Principal](#).
